

Azienda Agricola Elisabetta  
Via Tronto 10,  
57023 Cecina Loc. Collemezzano

Only the Tuscan Sangiovese growing on the rich soil and ripened by the always shining sun reflecting in the sea. The vintage takes place in the second half of September with the harvest

Sangiovese is of an intense red colour with a deep shade towards black and has sweet scents of mature fruits with a mark of cacao and liquorice, opening with the time. At the palate there is a good concentration of sweet tannins that are not making the wine harder, but make him fuller with a long persistence.

**Wine:** Sangiovese IGT

**Bottle:** 0.75 l

**Type of Vine:** Sangiovese

**Vinification:** hand picked, removal of grape stalks and wine pressing, fermentation at controlled temperature with maceration for 10 days in steel. When the fermentation is terminated, 50% of the wine will be decanted into French durmast barrels for the second and third passage and for the remaining 50% into stainless steel tanks to perform naturally the malolactic fermentation

**Ageing:** wood barrels

**Refinement:** in bottle

**Alcohol Content:** 14 %

**Serving Temperature:** 16-18°C
