THE TERRITORY

Vigneto Due Santi has its roots in Bassano del Grappa, one of the most beautiful and pleasant towns in the Veneto region, where the landscape is dominated by the peak of Mount Grappa and the Palladian wooden bridge spanning the Brenta river, uniting the historic city centre with the countryside. The territory is protected on the north by calcium rock formations of the Asiago plateau and winters are particularly mild. The unique composition of the soil and the pleasant climate have always made this part of Veneto an ideal zone for vineyards and olive groves. This terroir is called BREGANZE, a land of noble reds.

GRAPES VARIETIES AND VINIFICATION TECHNIQUE

Volcanic hills and morainic limestone slopes produce a rich and profound red wine from Merlot grapes. We only choose hand-picked bunches from guyot-grown vines and Cordon trained spur method with southern to south-western exposure. We make maceration, alcoholic and malolactic fermentation in stainless steel tanks. Then the wine remains for 15/18 months in second passage barrels for refining. The resulting wine is intense, fresh and fruity.

TASTING NOTE

An elegant and intense red wine from Merlot grapes. The color is a brilliant ruby red. On the nose, intense and balsamic with notes of red current, cherry and spices. The flavor is round and generous with pleasing sensations of fruit and denotes maturity while still preserving notable freshness.

SUGGESTED FOOD PAIRING

Paired with meat-based pasta dishes, roasts and perfect with boiled meats.

TASTING NOTES

Vigneto Due Santi

Zonta Merlot

An elegant Merlot from Italy showcasing balanced, tapered tannins.

Blackberry, cherry, and plum compliment notes of espresso, cinnamon, and white pepper. Pair with roasted game, brisket, lamb, and pasta dishes.
